You will be issued with a bidding number and a membership card, you will need to produce the membership card each time you buy. (On our Specialist auctions, Police auctions and proceeds of crime auctions you will need to show your membership card on entering the premises. If you are not yet registered it is advisable to pre-register online prior to viewing)

Your bidding number is not transferable and you should not allow others to use it.

Raise your bidding number when you wish to bid and wait for the auctioneer to acknowledge you. If anyone else wishes to acquire the lot, they will bid against you by the same means. The auctioneer will continue taking ever-increasing bids from each interested party until all but one person drops out. The final bidder is the successful buyer and the auctioneer indicates that the lot is sold by knocking down his gavel on the rostrum and declaring the hammer price.

Please note the buyer pays an additional percentage to the final hammer price. (Buyers Premium)

(Please return your bidding number when you leave the saleroom.)

Sale of goods Act

PLEASE NOTE AS EVERY CUSTOMER HAS THE OPPORTUNITY TO ATTEND THE AUCTION IN PERSON THE REMEDIES UNDER THE ABOVE ACT ARE EXCLUDED FOR SECOND HAND GOODS PURCHASED. ALL GOODS DESCRIBED AS GRADED ARE CLASSED AS SECOND HAND GOODS NOT NEW GOODS WHICH DOES AFFECT CUSTOMER SATISFACTORY RIGHTS. The Sale Of Goods Act 1979 does not apply- you do not have the same consumer rights that you would have when purchasing from a normal retailer. If you bid at auction, you enter into a legally binding contract to buy upon the fall of the auctioneer's hammer/ gavel Whilst we seek to describe a Lot accurately, it may be impractical for us to carry out exhaustive due diligence.

Bidders are given ample opportunities to view and inspect a Lot before any sale and they (and any independent experts on their behalf) must satisfy themselves as to the accuracy of any description applied to a Lot. Prospective Buyers also bid on the understanding that, inevitably, representations or statements by us as to authorship, genuineness, origin, date, age, provenance, condition, recommended retail prices or any estimated selling price involve matters of opinion.

Recommended retail prices are given for guidance only and may be subject to revision after initial instructions have been received. We undertake that any such opinion shall be honestly and reasonably held and accept liability for opinions given negligently or fraudulently. Subject to the foregoing, we, our representatives, employees or agents and the Seller do not accept liability for the correctness of such opinions and all conditions and warranties, whether relating to description, condition or quality of the Lot, express, implied or statutory, are hereby excluded. All lots are "Sold As Seen" unless stated by the auctioneer. No items have been tested (Including Electrical).

Care has been taken to ensure the accuracy of descriptions, no sale will be void by the inaccuracy of any description. The purchaser must satisfy themselves with the item prior to bidding. The description of the item should hold precedence over the photographs. We reserve the right to use stock / catalogue images if original photographs cannot be used. Caution should be used when bidding on an item with only a stock image, as colours and sizes of an item can vary from the sale item. No warranty is given. Clwyd Auction Centre may, at its option, withdraw any lot at any time prior to or during the sale of the lot. Clwyd Auction Centre has no liability to you for any decision to withdraw.

We cannot be held liable for any errors on the website, problems with registration / accepting bids.

The Auctioneer reserves the right to reject any bids which the Auctioneer feels in its sole discretion does not reflect reasonable value.

The Auctioneer may at any time before the fall of the hammer withdraw or divide any Lot or combine any Lots.

Items sold in working order

As stated at the time of sale by the Auctioneer. The purchaser has until 4pm the following working day from auction to check the goods are working. If in this time limit the goods are found to be faulty they must be returned. The goods will be checked by a member of staff and then a reimbursement or exchange can be made. No redress of expenses can be made to the purchaser.
